

**IN THE UNITED STATE DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

THE TRUSTEES OF THE UNIVERSITY
OF PENNSYLVANIA,

Plaintiff,

v.

BIONTECH SE and BIONTECH RNA
PHARMACEUTICALS GMBH,

Defendants.

Civil Action No. 2:24-cv-3801

**JOINT STIPULATION AND ORDER TO
EXTEND ALL DEADLINES**

Plaintiff, The Trustees of the University of Pennsylvania (“Penn”) and Defendant BioNTech SE (“BioNTech”) (collectively, the “Parties”), by and through their respective counsel, hereby jointly and respectfully move the Court for approval of the following stipulation and entry of Order:

STIPULATION AND ORDER

WHEREAS, the Parties are engaging in negotiations to resolve amicably this lawsuit (the “Settlement”);

WHEREAS, the Parties are diligently working to reach agreement on the precise terms of the Settlement;

WHEREAS, the Parties’ discussions lead them to believe that that they may, with additional time, be able to resolve this lawsuit without the need for the Court’s involvement;

WHEREAS, the Parties further believe that a brief stay of the proceeding until December 30, 2024, will allow them to complete the negotiations of their Settlement and determine whether they are able to resolve amicably this lawsuit;

WHEREAS, it is within the Court's authority and discretion to stay case deadlines for a short period to allow the Parties to focus their resources on settlement as opposed to adversarial litigation.

NOW, THEREFORE, IT IS HEREBY STIPULATED by and among the undersigned counsel for all the Parties, and SO ORDERED by the Court, as follows:

All deadlines are extended by 14 days, including the deadline for BioNTech to answer, move or otherwise respond to Penn's Complaint (currently due on December 16, 2024), which is extended until December 30, 2024.

Dated: December 16, 2024
